Hope you are doing well.

We are writing this email to invite you for our online seminar on **“Doing Business in India”** which is going to be held on 21<sup>st</sup> July 2020. The details of the same are mentioned below:

India is emerging as one of the fastest growing economy in the world due to factors such as largest consumer market in the world, talented workforce at a lower cost, significant improvement in “Ease of Doing Business ranking historic reduction of tax rates etc. Further, it is pertinent to note that, there is a significant increase in the German Investments in India. Cumulatively, Germany has invested over \$ 11.3 bn in India between 2000 and 2018. Key areas of German investments have been transportation, electrical equipment, metallurgical industries, services sector (particularly insurance), chemicals, construction activity, trading and automobiles.

Over 1,600 Indo-German collaborations and 600 joint ventures are represented in the Indian marketplace. With the stable Government in the center and recent incentive announced by the Government to push make in India initiative, various entities across the globe (including Germany) are contemplating to establish a presence in India.

In view of the above, we are conducting an online seminar on **“Doing Business in India”** which aims to provide overview on existing opportunities in India and key factors to establish presence in India.
